REPORTS:

- 1) COUNTY ENGINEER: Dale Foster reported the Community Stakeholders Meeting for the Ocean Drive (CR621) Upgrade and Bridge Improvements Project in Lower Township was held on Monday, April 16, 2018. Over twenty people attended to learn about existing conditions of Ocean Drive. The stakeholders were the people most affected by the project, such as the adjacent property owners he stated.

On Tuesday, April 17, 2018 he was speaker on a panel, called *The Uncomfortable Truth Five Years after Superstorm Sandy* at the NJ Transportation Conference in Atlantic City. Approximately one thousand transportation officials were in attendance. Dale presented information of what Sandy did to the Cape May County road system, and what had been done to the roads to help survive another storm such as Sandy.

A public forum for Commonwealth Avenue, Strathmere and Landis Avenue, Sea Isle City was held on Friday afternoon to talk about possible restriping solutions. The goal was to make the roads a little safer for pedestrian activity, particularly bicyclists he stated. Over forty people came out to learn about possible alternatives.

Presently, various construction projects were impacting traffic throughout the county. Last night between 8:00 p.m. and 6:00 a.m. Seashore Road in Lower Township was being paved from the north side of the bridge over the canal, up to the driveway of West Cape May Borough Hall. More paving would take place the next two nights as well, he informed.

MINUTES OF A REGULAR MEETING HELD APRIL 24, 2018 (CONTINUED)

A section of Bayshore Road was closed in front of the Wawa in Villas, Lower Township for paving.

The Townsends Inlet Bridge had been closed for three weeks, before re-opening one lane this past weekend. Work was being done on the Avalon end, ocean side of the bridge.

The Roosevelt Boulevard Bridge was scheduled to be completed by the first week of May. The contractors were very close to having both lanes of traffic open on the weekends he stated.

- 2) COUNTY COUNSEL: Jeffrey Lindsay had no report.
- 3) COUNTY TREASURER: Francine Springer has no report.

FREEHOLDER REPORTS:

- 1) FREEHOLDER MOREY: Freeholder Morey reconfirmed that a few more stakeholder meetings would be held for the Middle Thorofare Bridge.

The "Cape May Peninsula" AVA for wineries would become official on May 7, 2018 he announced. This would bolster the county's diversity in terms of tourism and agricultural product.

The Coast Guard Ball would be held on May 3, a few days before the Coast Guard Festival on May 5-6, 2018. There would be special emphasis during the program to recognize Congressman LoBiondo, who has been a tremendous advocate of the Coast Guard through high points and low points, he stated. The Munroe Enlisted Memorial Groundbreaking was scheduled for May 4, 2018.

He reported the Airport Everlon Building was in the process of coming down. Big portions of the building had already been removed. This would be a giant improvement to the Airport, generally, he stated.

The E-Z Pass system over Bridge Commission bridges would soon be implemented, with Ocean City-Longport Bridge being first. Progressively the rest of the bridges would be added, helping with functional efficiency. People in possession of ticket books would still be able to use them for a period of time after the changeover he explained.

- 2) FREEHOLDER PIERSON: The freeholder thanked the Facilities & Services Department for the hard work and upkeep of the Veterans Cemetery dedication markers for the trees on the property. (He held up one of the old markers for everyone to see). He reported they were being replaced a little at a time, with new, sturdier markers. The project fell under the direction of Facilities & Services Director, Annmarie McMahon who reported a total of 289 tree markers in all.

Freeholder Pierson informed his colleagues of his participation and/or experience at the following events: Cape May County Fire Academy Volunteer RUST Training, Ocean City Board of Education Benefit at the Beach, Cape May County Health Department 13<sup>th</sup> Annual Health Fair at Wildwood Convention Center, Ocean City American Legion 524 ribbon cutting ceremony, Cape Assist Knock Out Opioid Abuse Program, Cape May County Education Association Annual Legislative Dinner, Wildwood High School Adverse Childhood Experiences (ACES) event, Ocean City Crew Team boat dedication and Cape Assist Annual Public Policy and Awards breakfast.

- 3) FREEHOLDER HAYES: Freeholder Hayes attended and assisted in presenting awards with Freeholder Pierson and Director Thornton at Cape Assist's Public Policy and Awards breakfast event. What impressed her the most were the kid's presentations, she stated. They really seemed to appreciate having the

libraries and parks as place to go and have fun. The kids related some of the good things that had taken place in the county, influencing them positively.

Freeholder Hayes informed her colleagues of participation/attendance at the following events: Cape May County Art Show, Park & Zoo Earth Day Celebration, Ocean City Crew Team boat dedication, Cape May County Education Association Annual Dinner and Fare Free Transportation Rodeo.

She announced the winners of the Fare Free Transportation In-service Training (Rodeo). The following individuals would be moving on to state competition:

- 1<sup>st</sup> place-Diana Hufana
- 2<sup>nd</sup> place-Brian Fitzpatrick
- 3<sup>rd</sup> place-Eugene Glembocki
- 4<sup>th</sup> place-Richard Karrasch

- 4) FREEHOLDER DESIDERIO: Freeholder Desiderio had the opportunity to start the Ocean Drive Marathon on Sunday. Nearly six hundred runners turned out for the event he stated.

He reported the Cape May County Special Law Enforcement Officers (Class II) graduation took place yesterday. Prosecutor Sutherland, and Chief Skill of the Prosecutor's Office attended. He addressed and offered the graduates the oath of office. On Monday, 120 new recruits (Class II) would begin training. The next fulltime police officer graduation would take place on June 8, 2018 he informed.

He acknowledged Dale Foster for the Townsends Inlet Bridge Project being completed with the bridge opening earlier than anticipated.

- 5) FREEHOLDER THORNTON: Director Thornton reported his attendance at the following meetings/events: South Jersey Freeholders Association Meeting in Atlantic County, Ocean City American Legion 524 ribbon cutting ceremony, County Park & Zoo Earth Day Celebration, and the Cape Assist Annual Public Policy and Awards breakfast.

As promised, a meeting was held regarding the homelessness problem in the county he stated. Donna Groome, Director, Human Services had been asked to compile some figures prior to the meeting with Middle Township, Wildwood and Lower Township. In 2018 alone, the homeless hotline reported 137 people placed for Wildwood, 132 people placed for Middle Township and 114 people placed for Lower Township. The homeless problem is a municipal problem. We've been working really well with Middle and Lower Townships on this issue. Code Blue placements were also discussed at the meeting. In 2018, Wildwood had 56 placements for Code Blue, Middle had 54 placements, Lower had 55 placements. The County's responsibility was to declare the Code Blue only, sending out the notification to the municipalities to respond. The municipalities had the responsibility to create warming centers he stated.

Freeholder Morey questioned the detachment of Wildwood from the data and questioned the result of the meeting; the effect on the various communities as far as next steps.

Freeholder Hayes wanted to know if there was any spirit of collaboration at any of the meetings and if it was known how trust fund money would be allocated.

On the topic of Viniculture and the Appalachian, mentioned earlier by Freeholder Morey, Director Thornton stated his opposition to the possibility of Cape May County being branded the Cape May Peninsula. A short discussion ensued with Freeholders Morey and Hayes commenting.
