REPORTS:

- 1) **COUNTY ENGINEER:** Mr. Foster reported the Roosevelt Boulevard Bridge was finally back open with both lanes clear for travel. The last of the work would be completed during overnight hours. Additionally, 34th Street would close for one night next week, between 8 p.m. and 6 a.m., for the paving of Bay Avenue to West Avenue.

Two public information meetings were held May 3rd, one at the Crest Pier in Wildwood Crest, and the other at City Hall in Cape May City, for the Ocean Drive Upgrades and Bridge Improvements Project. The sessions were part of a collaborative effort between the South Jersey Transportation Planning Organization (SJTPO) and the County he stated. The afternoon meeting had a larger turnout with many people offering comments.

He offered the following detail related to specified county road projects: Hand Avenue was scheduled to be paved next week along with Indian Trail Road and a portion of Shunpike Road in Middle Township. Broadway/Seashore Road closed April 30th for the installation of pavers in front of West Cape May Borough Hall; would reopen this week. The Broadway section of the road was scheduled to be resurfaced next week. Concrete work was currently being done on Bayshore Road in Villas, Lower Township. One direction of traffic, between Fulling Mill Road and Wilde Avenue would be closed for the concrete and reconstruction work to take place. The completed section would then close, with work started in the other direction, the following week. Eighteen months after commencement, construction on Ocean Drive in Avalon between 29th and 62nd was winding down, with final paving to be scheduled shortly.

MINUTES OF A REGULAR MEETING HELD MAY 8, 2018 (CONTINUED)

He further reported, the County had two outstanding permit applications related to the Townsends Inlet Bridge Project. His office had received correspondence back from the State Historic Preservation Office in response to the application to replace the first seven spans of the bridge. He detailed the State criteria that made the bridge eligible as a Historic Site. The bridge stood as a monument to the depression era "New Deal" programs improving America's infrastructure and additionally, it was a well preserved representative example of the most common moveable type bridge in the Jersey Shore region he explained. Mitigation consisted of documenting the existing conditions of the bridge with a focus on the setting, and the development and installation of an interpretative sign defining the significance of the Townsend's Inlet Bridge.

In conclusion, he announced that the individual CAFRA permit application for the Rio Grande Avenue Project would be published in the New Jersey Register on May 16th for a 30 day comment period, ending June 16th.

- 2) COUNTY COUNSEL: Lauren Fogarty, Assistant County Counsel had no report.
- 3) COUNTY TREASURER: Francine Springer was absent.

FREEHOLDER REPORTS:

- 1) FREEHOLDER MOREY: Freeholder Morey reported the Coast Guard Festival was a successful event again this year. There were a number of site enhancements this year and the Coast Guard were really pleased with the event. On Saturday, the Coast Guard Search & Rescue Demonstration was interrupted by a call to an actual search & rescue mission, he reported. The pilots returned to the festival to give the demonstration when their mission was complete. Ironically, ground was broken on the Enlisted Corp. Memorial Project over the weekend. The expectation was for a 3-6 month completion he informed. It was great to see many local contractors contributing and working on the memorial.

Dr. Richard Weiss and Linda Wolfe were the newest trustees seated on the Coast Guard Foundation Board of Trustees he stated. They were starting to work on a strategic plan, mapping out the next five years of endeavors.

The Department of Economic Development and SJTPO met with the Atlantic and Cumberland County Improvement Authorities to talk about the proposed airport project and Everlon site. There are resources available to consider for projects going on here in Cape May County. They were looking forward to pursuing the relationship with Atlantic County for the purpose of that project.

The idea of an indoor aquatic center at the airport in Lower Township had been considered for a number of years he stated. A feasibility study had been done by a professional firm to help determine cost and cost of operation, etc. They were working with the DRBA to possibly locate it on a portion of the airport property. Within the next few months it would be determined whether or not the project would move forward. An application for funding support had been submitted to the Open Space Review Board.

- 2) FREEHOLDER PIERSON: Freeholder Pierson informed his colleagues of his participation and/or experience at the following events: Vineland Memorial Home Volunteer luncheon, Mud Hen Brewery ribbon-cutting, South Jersey Youth & Family Drug Awareness Summit, Feasting on History sponsored by Cold Spring Village, Cape May County Senior Jamboree and a MHADA meeting.

FREEHOLDER HAYES: Freeholder Hayes informed her colleagues of participation/attendance at the following events: Crest Memorial School

MINUTES OF A REGULAR MEETING HELD MAY 8, 2018 (CONTINUED)

Community Social, Family Promise Cardboard Box City event, Naturalization Ceremony in Woodbine, Coast Guard Festival Community Breakfast, Eagle Scout Crossover ceremony and the Spring Small Business Summit at Wildwood Convention Center.

Freeholder Hayes requested the county host Mr. Roger Brooks for a workshop on Wayfinding. She heard him speak at the Tourism Summit at Wildwood Convention Center. Director Thornton agreed we should look at it and have him come in.

- 3) FREEHOLDER DESIDERIO: Freeholder Desiderio recognized John Lynch for receiving the Lifetime Achievement Award from the Corporation for National and Community Service. He read in its' entirety Res. No. 374-18 honoring Mr. Lynch for his dedication to the youth of our community offered on behalf of Freeholder Hayes, himself and the Freeholder Board.

Mr. Lynch described a new program he was doing with the kids at elementary schools called "Thumbs up for Kindness".

- 4) FREEHOLDER THORNTON: Director Thornton informed his colleagues of participation/attendance at the following events: Family Promise Cardboard Box City, Senior Jamboree, Eagle Scout Ceremonies, Coast Guard Community Festival Weekend, Naturalization Ceremony and Loyalty Day in West Cape May.

Director Thornton spoke about the Coast Guard Ball. The Master Chief of the Coast Guard, the highest ranking enlisted man in the Coast Guard, with 35 years of service, was in attendance he informed. It's unbelievable what he had accomplished and was impressive to see this individual who represented all enlisted personnel in the USCG he stated.

He also spoke about Loyalty Day and what a great ceremony and program it was. On Loyalty day he explained, the elementary schools kids learn what it means to be an American, learn to recognize the military and what it does, and how important the flag and National Anthem are to all. He recognized the teachers, students, American Legion, VFW and DAV for their participation.
