COMMISSIONER REPORTS:

MINUTES OF A REGULAR MEETING HELD JUNE 14, 2022 (CONTINUED)

1) COMMISSIONER MOREY: To keep abreast of airport matters, the Departments of Planning, Engineering and the Delaware River and Bay Authority met approximately three times a year, in person, which always included a discussion of the ongoing environmental cleanup process, Mr. Morey began. He informed them the minutes of their most recent meeting, detailing all subject matter discussed, would be sent to them via e-mail.

He commented on the cooperative effort between Bob Church and the DRBA's Chief Engineer, David Hoppenjans, working on the plans for the new general aviation terminal. They would be going out for bid soon on what was initially estimated to be a \$6.5 million project, pre COVID.

Commissioners Morey and Hayes attended the final ribbon cutting for the Middle Township Bike Path Connector. They gathered at the entrance of the bike path directly adjacent to the CMC Park & Zoo's back parking lot. This event marked the final completed segment of Middle Township's portion of the bike path. Now the path could be taken south to the Cape May Lewes Ferry and north into Dennis Township. Many years and many hands made this possible. The taxpayer's initial approval of the Open Space and Farmland Preservation tax in the 1980's contributed greatly to these projects, he noted.

2) COMMISSIONER PIERSON: Mr. Pierson reported he was keynote speaker for the Upper Township Memorial Day ceremony, held at Osprey Point, and Master of Ceremonies of the Cape May County Memorial Day ceremony held at the Gerald M. Thornton Veterans Cemetery. Both had a very nice turnout, he said.

He attended the Cape May County Republican Women's dinner where Director Gerald Thornton was honored for his long history of service to the County. He attended the Marmora Volunteer Fire Company 75th Anniversary celebration along with Commissioner Hayes. Congressman Van Drew was there and spoke too. He attended the North Wildwood Fire Department Retirees dinner and presented certificates to thirteen individuals.

The Commissioner presented the board with a "We Value Our Veterans" Community Service award, received from the governor's office, dated November 11, 2021. He read the wording from the award plaque, which recognized counties or municipalities that go above and beyond to value and honor the sacrifices, patriotism, and bravery displayed by men and women in the armed forces. It was sent along with a picture of Governor Murphy and Brigadier General Lisa J. Hou, D.O., the Adjutant General and Commissioner of the New Jersey Department of Military and Veterans Affairs. Commissioner Pierson stated his intention to place the items in the Veterans Corner display at the County Administration Building.

3) COMMISSIONER HAYES: Ms. Hayes mentioned notable aspects of the Marmora Volunteer Fire Company's 75th Anniversary celebration, the Morey's Piers new solar powered parking lot dedication in Wildwood and the County Zoo's Safari Café ribbon cutting. She detailed the attributes of the new indoor/outdoor Park & Zoo venue.

4) COMMISSIONER DESIDERIO: Not present.

5) COMMISSIONER THORNTON: Director Thornton expressed how much he enjoyed the Memorial Day Ceremony this year, complimenting Commissioner Pierson on his MC capabilities. Regarding his retirement, he said it was hard to leave, but at this point with rehabilitation appointments he didn't have enough time to participate. He was honored by the CMC Republican Women's recognition, he finished.
