REPORTS:

1) **COUNTY ENGINEER:**

Bob Church reported that the Woodbine Roundabout Project was complete and it had been accepted by the New Jersey Department of Transportation.

Corson’s Tavern Road Phase II achieved substantial completion Friday, October 9. The County received an initial \$1.2 million from the State for the project, resulting in it being nearly fully funded.

The Gateway Project paving mural was now complete. The only work which remained was to finish the pocket park.

The work on the 96th Street Bridge was largely complete. Some of the girders and beams were being painted at this time to give them some more time on the bridges.

The Ingram’s Thorofare Redecking Project was continuing. The contractor would be doing the full deck demolition over the next few weeks. The first pour would take place in approximately 3 weeks.

Upcoming projects: drainage work on Breakwater, Townbank and Goshen Roads. The engineer was waiting on federal authorization for three federal aid projects. Due to COVID-19, the authorization by personnel had been delayed.

MINUTES OF A REGULAR MEETING HELD OCTOBER 13, 2020 (CONTINUED)

Maintenance paving along Stagecoach Road in the northbound lane would start the first week of November by the gas company. Also, paving would take place on Townbank Road in the eastbound lane from the fire station up to Seashore Road, sometime in November.

2) COUNTY COUNSEL: County Counsel, Jeffrey Lindsay had no report.

3) COUNTY TREASURER: CFO, Brittany Smith had no report.

FREEHOLDER REPORTS:

1) FREEHOLDER MOREY:

He commented on the progress of the Municipal Redevelopment Initiative including an inaugural two-year pilot program partnership that would aid redevelopment of some of Wildwood's long-deteriorated downtown Pacific Avenue corridor. There had been two public meetings with certain segments of the community. There would be a meeting this evening with developers, over 10 had signed on to be involved on the presentation and provide input. The general community meeting would be held next week. Announcement of the meeting had been posted throughout the County and in Wildwood. A recommended plan was expected by the end of the year with hopefully activity soon to follow. Wildwood, Atlantic County Improvement Authority, South Jersey Economic Development District and the County were collaborating on the project.

He reported that the Cape May County Task Force was now more focused on sustainability of small businesses and assisting other qualified entities and families severely impacted by the COVID-19 pandemic, to make it through to the May 2021 tourist season. In support of that effort, two resolutions on tonight's agenda were for applications to go out to the New Jersey Department of Community Affairs (DCA) for funding under the Community Development Block Grant to support Cape May County's COVID Relief Program.

2) FREEHOLDER PIERSON:

He reported the County Health Department would hold their final drive-thru flu clinics on October 14, 17 and 22nd. The clinic on the 17th would be held at the police academy. The other two would be held at the National Guard Armory on the parkway. He urged community members to get the flu shots, highly recommended by the CDC.

Freeholders Pierson and Morey attended the Lower Township Chamber of Commerce Annual Installation and Awards Ceremony at the Lower Township Municipal Building, where they handed out certificates to the new board members and several recognized businesses.

The freeholder recommended individuals in the County to vote yes in November on the #2 ballot question pertaining to peacetime veterans receiving a \$250 property tax deduction.

He advised individuals in the County to vote no on the #1 ballot question pertaining to the legalization of recreational marijuana.

3) FREEHOLDER HAYES:

She reminded everyone that "Boo at the Zoo" would be held on the 24th with some differences due to current circumstances. There would not be a parade this year and the costume contest would be held virtually. Various stations would be set up outside for taking pictures and participating in other fun Halloween activities.

MINUTES OF A REGULAR MEETING HELD OCTOBER 13, 2020 (CONTINUED)

The freeholder informed that she had recently dropped off her ballot to the County Election Board. Along the same line, she had received a lot of phone calls from voters not wanting to put their ballots in the mail. She advised these individuals to take their ballots to a designated drop box instead. The locations were all listed on the county website. The drop boxes were very secure and under surveillance 24/7. Employees of the election board pick up the ballots at the end of each day. She thanked the Election Board employees for their tireless efforts due to the upcoming election.

4) FREEHOLDER DESIDERIO:

Mr. Desiderio also favored voting yes on ballot question #2 pertaining to peacetime veterans receiving the property tax deduction. He requested a resolution in support of it be added to the agenda for the next freeholder meeting.

5) FREEHOLDER THORNTON:

Director agreed they should support legislation for a peacetime veteran property tax deduction. For recreational marijuana, absolutely vote no, he stated. He recognized both the Health Department and Election Board employees for working so very hard to stay on top of everything keeping the County in a better position than most other counties.
