

Support for Program

The Cape May County Department of Health is offering the Discount Health Services program to help lower the cost of prescription medications. The **Cape May County Rx Card** helps the uninsured and underinsured to save on health care related expenses. The program is provided through United Networks of America and funded through support of participating pharmacies and pharmaceutical companies.

There is no cost to you!

Who Benefits from the RX Card?

The **Cape May County Rx Card** can be used by anyone who will benefit from discounts on medical services, including:

- The uninsured
- Those with health insurance but without prescription drug benefits
- Those with a prescription plan that does not cover certain needed medications
- Individuals on Medicare part D whose prescriptions are not covered by Medicare
- People who need additional health services covered by the **Cape May County Rx Card**

Cape May County Discount Health Services Program

Provides discounts on prescription drugs, eyeglasses, diabetic supplies, and much more!

Cape May County Department of Health Discount Health Services Program

What is the Discount Health Services Program?

The Cape May County Discount Health Services Program was established to help you afford prescription medications and other medical services. This **FREE** program is **open to all Cape May County residents**, regardless of age, income or insurance status.

Discounts are available for:

- Prescription drugs
- Eyeglasses
- Diabetic supplies
- Lasik eye surgery
- Hearing aids
- Teeth whitening

How does the program work?

Simply present your **Cape May County Rx Card** along with a valid prescription at a participating pharmacy or medical services provider and receive your discount. There are no application forms, no claim forms to file, and no membership exclusions. The card is pre-activated and can be used immediately!

This is not insurance. The **Cape May County RX Card** can only be used alone, not in conjunction with any other plan. It can, however, be used if your insurance plan does not cover the prescription you require.

Over 56,000 retail chain and independent pharmacies participate in the program!
