

Green Creek Tidal Estuary Sustainability Project
Stakeholder Update Meeting #1
Green Creek Fire Hall, 14 Bayshore Road, Green Creek, NJ
6-8 pm Thursday April 28, 2016

Cape May County invites you to join in a discussion of the issues and potential restoration scenarios for the Delaware Bayshore and the adjacent wetlands in the Green Creek portion of Middle Township.

Staff from the Cape May County Planning Department, Office of the County Engineer, and the consultant team from *The Louis Berger Group* will provide a presentation to discuss the results of the work completed to date, and the possible paths forward for the project.

Your questions and comments are welcome and encouraged, after the presentation.

If you are unable to attend, a report of the meeting will be posted on the County's Planning Department Green Creek website:

<http://www.capemaycountynj.gov/1048/Green-Creek>

Meeting will start promptly at 6:00pm. All are welcome to attend.
