Chief Johnson ,

This letter is to inform you that, as per the Resumption of Academy Guidelines the Division of Fire Safety issued on June 5, 2020, we have received and reviewed your COVID-19 Reopening Guidance Policies and Procedures and have approved your institution to resume firefighter training classes immediately. Also, you are cleared to begin any new firefighter training classes as soon as you are able.

Thank you for submitting your return guidelines for review. Your attention to the health and safety of both staff and students will certainly minimize the risk to all during their firefighter training.

Please do not hesitate to contact me if you have any questions.

Yours in fire safety,

*Richard Mikutsky*
